# JEFFERSON VOTES TOOLKIT

## INTRODUCTION

### **What is the Jefferson Votes Initiative?**

Jefferson Votes is a nonpartisan civic engagement initiative spearheaded by nonprofit partners of the Jefferson Regional Foundation.

Through the Jefferson Community Collaborative, which is an investment of the Foundation, nonprofit stakeholders and Foundation staff have developed resources for the purpose of encouraging increased voter participation. Informed and active voters are critical in working to increase the health of communities.

The objective of the Jefferson Votes initiative is to leverage local organizations as trusted community resources to achieve the following outcomes:

- Offer resources to community partners to promote voter registration and participation within the communities served by Jefferson Hospital.
- Increase confidence and access to the voting process.
- Raise enthusiasm and engagement in the region in the civic process to promote a more inclusive community and equitable access to resources.

### **What is the purpose of the toolkit?**

The [Jefferson Votes](#) Toolkit is one piece of the nonpartisan initiative created by the Jefferson Regional Foundation and the 100+ partner strong Jefferson Community Collaborative. The Jefferson Collaborative is excited to provide targeted, nonpartisan resources and training for nonprofit organizations in the Jefferson area. Within this Toolkit, you will find ready-to-use materials specifically created for the Jefferson Votes initiative to support nonpartisan voter engagement efforts. Included are also voter engagement resources from Nonprofit VOTE, National Voter Registration Day and the Pennsylvania Department of State.
