

Clothing, connections, confidence!

The mission of Dress for Success Pittsburgh is to empower women and non-binary people who are entering and returning to the workforce across the region. Our team is committed to providing a safe, affirming, and welcoming space for all and works to provide the clothing and employment readiness support everyone needs to feel strong and confident as they take the next step in their career journey. Our services are provided at our brick-and-mortar locations in Lawrenceville and West Alexander and via mobile services events at host locations throughout Allegheny, Butler, Fayette, Greene, and Washington Counties.
