

Empower Minds, Erase Stigma

Mon Valley HIV/AIDS Awareness Webinar 2026

Hear from Dr. Ken Ho, Associate Professor of Medicine at the University of Pittsburgh, discussing his research with PrEP and how our community can access this groundbreaking medicine which can help prevent the contraction of HIV.

Join us to raise awareness and combat the spread of HIV!

Wednesday, October 21, 2026

11am - 12pm

On Zoom
